

# Can *you* help bring light to Batten's?

A child with Batten Disease will develop epilepsy, lose the ability to walk, talk, eat and see, before developing dementia, and dying between the ages of 5 - 30 depending on the type of Batten Disease inherited. There is no cure for Batten Disease.

From as little as £2 a month you will help the BDFFA to support the families of children and young adults affected by Batten Disease. It will help us raise awareness of Batten Disease and to fund vital research so that therapies can be found.

Together we can bring light to Batten's

# Regular Giving Form

Title ..... First Name ..... Surname .....

Address .....

Postcode .....

### Do you pay tax? *giftaid it*

If so, by ticking the box on this sponsorship form you can boost the value of your gift by 25p for every donation at no extra cost to you...just tick the box!

NB: You must pay an amount of income tax or capital gains tax equal to the tax we reclaim on your donations (28p for every £1 you gave prior to 6 April 2008 and 25p for every donation after that). Please let us know if your circumstances or home address details change so that we can amend our records.

Please complete this form and return to: **The Fundraising Officer, Batten Disease Family Association, PO Box 504, Fleet, Hampshire, GU51 9GE**
