

A Guide to JustGiving™

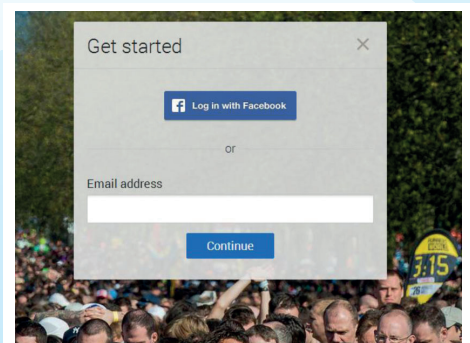

Setting up a Just Giving page makes it really easy for your friends and family to sponsor you on your challenge. Here's a step by step guide to setting up a Just Giving page for your event:

1. Visit <https://www.justgiving.com/battendisease/>
2. Click on 'Fundraise for us'

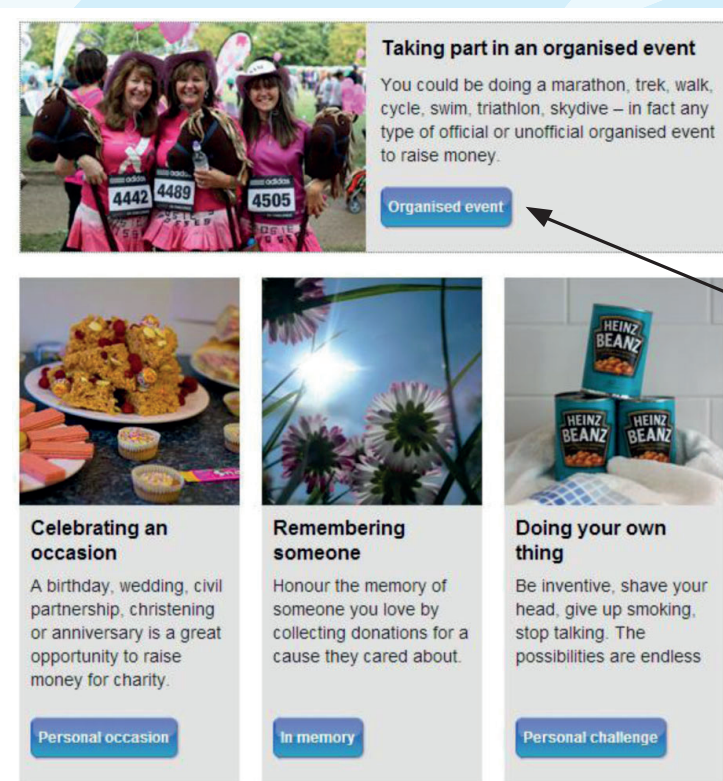

The screenshot shows the JustGiving page for the Batten Disease Family Association. At the top, there is a search bar and links for 'Log in' and 'Help'. The main header features the BDFA logo, the organization's name, and a description: 'We fund research and support families to find a cure to Batten disease'. Below this, there are social media sharing options and a 'Like' button. On the right side, there are two prominent buttons: 'Fundraise for us' (orange) and 'Donate' (purple), with a link for 'Make a monthly donation' below them. The main content area includes a section titled 'Join the Batten Disease Family Association community' with a brief description of the disease and the association's vision. To the right of this text are two images: one showing three cyclists and another showing a person holding a sign for the BDFA 2011 Bike Ride Sponsorship.

3. You will then be asked to sign in. If you do not have a Just Giving account, enter your email address and follow the instructions to fill in your details and create an account.

The screenshot shows a 'Get started' sign-in form. It has a 'Log in with Facebook' button, an 'or' separator, and an 'Email address' input field. A 'Continue' button is at the bottom. The background of the form shows a crowd of people at an event.

The screenshot shows the 'Taking part in an organised event' section. It features a photo of three women in pink costumes holding race bibs. Below the photo is a description: 'You could be doing a marathon, trek, walk, cycle, swim, triathlon, skydive – in fact any type of official or unofficial organised event to raise money.' There is a blue button labeled 'Organised event'. Below this section are three other options: 'Celebrating an occasion' (with a photo of a cake), 'Remembering someone' (with a photo of flowers), and 'Doing your own thing' (with a photo of Heinz Beanz). Each of these three options has a corresponding blue button: 'Personal occasion', 'In memory', and 'Personal challenge'.

4. Click on 'Organised event' and search for the challenge you are taking part in, if it is not there, click on 'Doing your own thing'.

5. If you are 'doing your own thing' fill in the form with a few details about the event. Select 'No' when asked 'Is your charity contributing to the cost of your fundraising'. If you are doing an organised event you will not have to fill in the details. At the bottom of the page, choose your Just Giving web address, this is the address you will share with your friends to make it easy for them to find your page and sponsor you.

Choose your JustGiving web address

Story

Thanks for taking the time to visit my JustGiving page.

Donating through JustGiving is simple, fast and totally secure. Your details are safe with JustGiving – they'll never sell them on or send unwanted emails. Once you donate, they'll send your money directly to the charity. So it's the most efficient way to donate – saving time and cutting costs for the charity.

Raising money for

BDFA
Bringing light to Batten's

Batten Disease Family Association
Charity Registration No. 1084908

Batten disease is a group of rare, progressive neurodegenerative, genetic metabolic diseases that occur in children & adults worldwide. The BDFA's Vision is to be the central point of excellence in the UK for supporting affected families funding research into a potential cure.

8. You can also create a unique 'text code' so people can text your code and their donation amount to 70070 and their donation will be paid in their phone bill.
